

## Iceman: Mummy From the Stone Age

01. How many European countries are in the Alps?
02. When is the Mummy discovered?
03. How is the body removed from the ice?
04. How old is the Mummy?
05. 5000 years ago, \_\_\_\_\_ was the mainstay of European life.
06. \_\_\_\_\_ defined most of the Stone Age.
07. The \_\_\_\_\_ may have been the most critical instrument.
08. What was the most important weapon for survival?
09. The Iceman's arrowheads came from 200 miles away in \_\_\_\_\_.
10. Were all the Iceman's arrows complete?
11. Was his longbow completed?
12. In the Stone Age, what did hunting add to life?
  
13. What was his dagger made of?
14. Animal sinew thread is as strong as \_\_\_\_\_.
15. What kind of hat did he have?
16. Did he have socks?
17. Before the Iceman, researchers had \_\_\_\_\_ evidence of Neolithic \_\_\_\_\_.
18. The Mummy is \_\_\_\_\_ feet \_\_\_\_\_ inches and weighs just over \_\_\_\_\_ pounds. In life, the Iceman was \_\_\_\_\_ feet \_\_\_\_\_ inches and weighed \_\_\_\_\_ pounds.
19. His age at death: at least \_\_\_\_\_ years old.
20. *"How would they explain the \_\_\_\_\_? Historically, the Copper Age wouldn't begin for \_\_\_\_\_."*
21. *"It's possession (the ax) was very likely a \_\_\_\_\_."*
22. \_\_\_\_\_ changed Neolithic Europe.
23. In his society, people would have a variety of \_\_\_\_\_ for daily life: planting, tilling, harvesting, with \_\_\_\_\_

developing.

25. Did they have domesticated animals?
26. What was the Iceman's last meal?
27. Did the Iceman have any cavities?
28. What do his fingernails tell us about his health?
29. What are the 47 marks on his body?
30. What is interesting about the placement of these marks?
31. How were tattoos made permanent?
32. Do X-rays support the theory of why and where these marks are found?
33. For late Stone Age people, \_\_\_\_\_ and \_\_\_\_\_ taught them about the uses and healing properties of \_\_\_\_\_ and \_\_\_\_\_.
34. What about the Iceman's mushrooms?
35. What was his "belly bag"?
36. How long does fire making date back to?
37. What did he use moss for?
38. The Iceman didn't \_\_\_\_\_ where he \_\_\_\_\_.
39. Where is the Iceman now?
40. Do we know the color of his hair?
41. When his hair was tested, what did it reveal?
42. Smelting was the most \_\_\_\_\_ advanced of their activities?
43. Was this an easy process?
44. The molten metal would then be poured in to a \_\_\_\_\_.
45. \_\_\_\_\_ would've been the main objects made from copper.
46. Would Neolithic people scavenge?
47. The Iceman find is a different kind of \_\_\_\_\_....and his great gift: a \_\_\_\_\_ of everyday life in \_\_\_\_\_.
